TW By-Laws: Declaration #2, Section 7.20 Boat Docks. The centralized boat dock systems shall be owned by the Association. No docks which are privately or individually owned shall be allowed to be used in connection with the Property unless approved by the Board. Members shall be required to provide their own boat lifts. Each Unit shall have a maximum of one (1) boat lift for any type of watercraft, subject to applicable regulations. No boat lift shall contain a canopy with approval by the Board. The Board shall have authority to assign designated boat slips to Owners and Occupants on a year-to-year basis depending upon the size of the boat and boat lift of such Owners and Occupants. The Board shall have authority to levy additional assessments against any Owner or Occupant for the use of oversized boat slips and for the use of boat slips on the end of a boat dock.
